

Sept 20	<p>Each Week:</p> <ul style="list-style-type: none"> -webpage based guide, also printable (Google Doc?) -main story chapters with major points summary -guiding questions -activities: 1 physically interactive, 1 crafty/artsy
<p>Lesson 2: Exodus 3-4: God's Power Leads to Belief & Worship</p>	

BIG Ideas:

*God delivers while performing wonders.
 The result of God's wonders is that we worship Him.*

Memory Verse: Exodus 15:11

Who is like you, O Lord, among the gods? Who is like you, majestic in holiness, awesome in glorious deeds, doing wonders?

Materials Needed:

- paper
- markers
- pens or pencils

Guide:

- Lead or ask your kid(s) to lead a prayer for our family to know God's holiness and wonders.
- Share the memory verse (Exodus 15:11, above) and have your kid(s) repeat. Ask them, "What glorious wonders has God done?"
- Read Exodus 3 & 4. To shorten the reading, just use 3:1-10 & 4:20-23 or the [online Bible for Children](#) 'The Prince Becomes a Shepherd.' After reading, you might watch the Youtube video '[Moses and the Burning Bush \(Exodus 2-3\)](#)' by Saddleback Kids.
- Ask your kid(s) about the story. So, what happened to Moses after God protected him as a baby in the river? How would you feel if God talked to you from a burning bush?
- INTERACTIVE: Let's pretend there is a burning bush here, now. Show me how you would react?
- Now, God starts speaking from the bush. What would you do then?
- God was with Moses as he was a baby, as he grew up, as he was a shepherd, and as he returned to Egypt to help free God's people from Pharaoh. God showed he would protect his wonders.
- CRAFT: Make a picture of God's wonders. Start by putting ink on a paper and putting a finger into the ink. On another piece of paper, create a fingerprint. Repeat. Decorate the fingerprints as God's wonders. See the craft video and pictures (side) for more ideas.
- What do we do to a God who protects, designs, and creates such wonder?
- Sing "[Our God is an Awesome God](#)" (Youtube link: '[AWESOME GOD - Children's Worship Song](#)') and "[Blue Skies and Rainbows](#)" (Youtube link: '[Blue Skies and Rainbows](#)')
