Lesson 8: Exodus 15:22- Ch. 18 God's Power Leads to Belief & Worship	

BIG Ideas:

NOV 1 - Lesson 8 - Ch 15:22-ch 18 = Patience & Provision / Old & Young

God is patient with complainers and gives what is needed. Old and young in the community are needed - God uses us differently and we should respect the work he is doing in each generation. No leader should take on all responsibilities but instead depend on God to equip the community

Memory Verse: Proverbs 3:5

Trust in the LORD with all your heart, and do not lean on your own understanding.

- Questions:
 - ◆ Tell me about the Israelites in the wilderness after they left Egypt.
 - ◆ How do you think the Israelites felt as they were in the wilderness? [*scared, hungry, thirsty; wondering why God and Moses had brought them out in the desert to live without a home*]
 - ◆ They were frustrated and complaining because they did not have food and water. How would you feel if you did not have food and water? [*scared, hungry, thirsty; looking for food and water*]
 - ◆ How did God provide when the Israelites needed food and water? [*God told Moses to put a piece of wood in some bitter water and it became good to drink; God provided quail to eat in the evening and manna (bread pieces) to eat in the morning; God provided water from a rock; God delivered Israel from the Amalekites as Moses held his arms up.*]
 - ◆ How does God provide for us?
- Be God's Hands:
 - ◆ There are people in our area that need clean water and food, just like the Israelites. We can help them and show them God's love. Pick out some canned food or your favorite food and bring it to Christian Services or one of the small food stash banks around town.
- Drawing:
 - ◆ Using colors, draw the Israelites in the wilderness. Consider adding the water from the rock, the manna and quail, the Amalekites being defeated while Moses' arms were up, or other parts from Exodus.
